 JWJ Logistics Co., Ltd.

# About Us

JWJ Logistics Co., Ltd.'s history in shipping and logistics industry started in 1980 from Universal Logistics Group in Korea, JWJ's mother companies group, that has been running its business of international freight forwarding, logistics, shipping agency, shipping & chartering, dry & liquid bulk operation, airline agency, exhibition & entertainment logistics and P&I insurance agency.

JWJ's own independent operation started in 2003 based on its linkage to the mother group in business cooperation as well as financial composition with its headquarters in Seoul and operation offices in Busan, Incheon airport, and other local points in Korea. JWJ has been a successful and expanding company since its establishment and business scope covers air and ocean freight forwarding, logistics, ISO tank container operation, trucking & warehousing, customs clearance, exhibition and entertainment logistics, and dry bulk & heavy lift operation.
